Subject: Dewatering of Pond E for Dredging
Location: Conference Call 1866-740-1260
Start: 3/20/2015 9:00:00 AM
End: 3/20/2015 10:00:00 AM
Show Time As: Tentative

Required Attendees: John Klamut; John Glover; Kenneth Roller (Services - 6); Jeffrey R Marcell (Generation - 3); Mike Lott

Dewatering Pump
Test.pdf

I want to get together to discuss how we can move forward with these tests and how this information will be used for the design. In addition to that, based on our meeting with VDEQ yesterday, sampling will also be needed for Dominion to characterize this effluent for discharge. Please invite anyone else who may need to be a part of this conversation.

Thanks,

Mike
